Camp Matollionequay Sleepaway Camp for Girls

At Matolly, skills are developed that will lead to growth, resiliency, creative self-expression and self-confidence. It's a place where long-lasting friendships are formed. Here, the possibilities are endless!

Courage

Friendship

Skill-Building

Studies show that single-gender sleepaway programs allow campers to grow outside of their typical comfort zone and break down gender stereotypes. Girls no longer feel pressure to compete with boys in male-dominated activities, while boys are free to explore traditionally girl-oriented activities like art and music. Worries about how one looks and how to impress the opposite sex fade away, allowing campers to focus on all the things that make camp great - like the intense bonds of friendship formed. Sleepaway camp is a great opportunity for children to develop self-confidence in a judgement-free area.

Teamwork

Lake Stockwell Day Camp for Boys and Girls

Lake Stockwell campers enjoy theme-based, enriching activities, leadership opportunities, group games, sports, fitness activities, science projects, arts & crafts, music, swimming, boating, archery and so much more. Campers are disconnected from electronic gadgets and experience fun, adventure and skill-building in a wooded wonderland in the Pines. We also offer extended hours – until 6pm – to accommodate busy working parents.

Main Camp | Ages 5-11

Campers are divided into groups based on grade and age and participate in 5 activities each day, including archery, arts & crafts, earth education, ceramics and cooking. We also offer science and music for the younger campers and boating and challenge course for the older ones.

Explorers Program | Ages 12-15

Traditional camp activities, but with enhanced offerings, more suitable for our older campers. Explorers take part in weekly off-site trips to exciting local destinations, and have more choice activities in their schedules. Explorers also experience challenge course activities, kayaking, photography, broadcasting and more.

Message from our Directors!

Welcome to our beautiful summer camp, located in the heart of the Pine Barrens in Medford, NJ. We have three camps on our 800-acre property: Ockanickon (sleepaway for boys), Matollionequay (sleepaway for girls), and Lake Stockwell Day Camp (co-ed). Here, pristine lakes provide the perfect venue for swimming, canoeing, kayaking and fishing, and acres of lush pine forest offer the picture-perfect setting for outdoor living skills and earth education.

Nowadays, kids spend too much time in front of screens – TVs, smartphones, tablets – and not nearly enough time outside. At camp, your child will spend adventurous days, disconnected from electronics, in a safe and friendly natural environment with amazing staff. They'll have the opportunity to acquire new skills, take new risks, establish lifelong friendships, develop independence and most importantly, PLAY. Our end-of-session goal is to send home a child who is happier and healthier in spirit, mind and body. Our big-picture goal is to help our campers develop confidence and character to eventually become leaders at camp and in the world. Kids need camp more than ever!

For 112 years, families have entrusted us with the most important people in their lives – their children – and we take this awesome responsibility quite seriously. We will continue to strive to offer a positive, lifelong impact on each of our campers. We hope you consider investing in your children's development by joining our camp family for the summer of 2018!

Matt Foran, Director of Ockanickon for Boys

Gabrielle Ostroski, Director of Matollionequay for Girls

Lynn Passarella, Director of Lake Stockwell Day Camp

An American Camp Association (ACA) study found that kids who attend summer camp feel more successful, make new friends, gain new skills, get along better with others and have a better idea of what they're good at.
