Intended Audience:
The intended audience for this conference includes primary care physicians and specialists in emergency medicine, neurology, and neurosurgery. Residents, fellows, physician assistants, advanced practice nurses, nurses, radiology technicians, and other physicians with an educational need or interest in this topic may also attend.

Overall Learner Objectives:
The 5th Annual South Jersey Neurovascular and Stroke Symposium will serve to build on improving the care of stroke and neurovascular patients in the region. The symposium will feature topics presented by specialists in the management of neurovascular patients in both emergent and non-emergent settings. Topics will include best practices utilized across the nation to reduce door-to-needle times, improve patient outcomes, and improve patient and general medical provider recognition of neurovascular emergencies.

Discussions will also be held regarding new guidelines released by the American Heart Association and the American Stroke Association. Other sessions include case reviews, new trends in stroke and intracranial hemorrhage management, artificial intelligence in medicine, and ICU care of patients. Participants will leave with a greater understanding of the complex nature of neurovascular patients, and what the future may hold for this dynamic field of medicine.

Accreditation/Designation/Disclosure:
The Cooper Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Cooper Health System takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Cooper Health System designates this live activity for a maximum of 8 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 8 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Successful completion of one hour of a continuing medical education (CME) course recognized by the American Medical Association, the American Osteopathic Association, or the American Podiatric Medical Association is equal to one hour of continuing education for New Jersey nursing license renewal (New Jersey Board of Nursing 13:37-5.3).

All faculty participating in continuing medical education activities sponsored by The Cooper Health System are expected to disclose to the audience any real or apparent conflict of interest related to the content of their presentation.
5th Annual South Jersey Neurovascular and Stroke Symposium
Thursday, March 12, 2020

7:30 AM – 8:00 AM
REGISTRATION/BREAKFAST

8:00 AM – 8:10 AM
Welcome
Tudor G. Jovin, MD

8:10 AM – 8:40 AM
Mechanisms of Infarction and Cryptogenic Stroke
James E. Siegler, MD

8:40 AM – 9:20 AM
The Heart and Brain Connection
Ryna K. Then, MD

9:20 AM – 10:00 AM
Atrial Fibrillation and Closure Devices
John A. Andriulli, DO

10:00 AM – 10:15 AM
BREAK
(Short Video)

10:15 AM – 11:00 AM
Primary Angiitis of the CNS (PACSNS) and Reversible Cerebral Vasocostriction Syndrome (RCVS)
Jesse M. Thon, MD
Carotid Occlusion: Can it be Re-vascularized?
Tudor G. Jovin, MD
Modern Stroke Rehabilitation with Virtual Reality
Robini Kumar, MD

12:00 PM – 1:00 PM
LUNCH

1:00 PM – 1:45 PM
Management of Post t-PA Complications
Natalie Golman, PharmD, BCPS, BCCCP

1:45 PM – 2:15 PM
Critical Care of Stroke Patient
Fred Rincon, MD, MSc

2:15 PM – 2:30 PM
BREAK
(Short Video)

2:30 PM – 3:15 PM
Challenges of a Comprehensive Stroke Center
Bethann Mercanti, PA-C

3:15 PM – 4:00 PM
Diagnosis and Treatment of Intracranial Aneurysms
Brian T. Jankowitz, MD

4:00 PM – 4:30 PM
Innovations in Teleneurology
James E. Siegler, MD

4:30 PM – 5:00 PM
Artificial Intelligence in Medicine
Hamza A. Shaikh, MD
Guhan Rasool, PhD

5:00 PM
Adjournment/Post-evaluation

Registration is required. Space is limited, so registrations will be accepted on a first-come, first-served basis. No registrations by telephone will be accepted.
