About the Sunshine Award

Here at Cooper University Health Care the Sunshine Award is given to Critical Care Techs, Nurse Associates and/or Companions who demonstrate excellent patient and family centered care while carrying out Cooper University Health Care’s mission, to serve, to heal, to educate. Critical Care Techs, Nurse Associates and Companions play an important role in the healthcare team. Their hard work is invaluable to members of the healthcare team and does not go unnoticed.

Sunshine Award Criteria

- Job performance meets and exceeds the mission and vision of Cooper University Health Care
- Takes pride in their job while performing high quality care
- Demonstrates excellent teamwork with all members of the healthcare team
- Goes above and beyond for patients and their families, ensuring our patients have an excellent health care experience

Sunshine Award Nominations

Patients, families, visitors or co-workers may nominate a Critical Care Tech, Nurse Associate or Companion by completing the Sunshine Award Nomination form and giving it to the Unit Leadership. One nominee will be picked quarterly to receive this award.
