

SHOW YOURSELF SOME LOVE

GET YOUR CANCER SCREENINGS

You're at your best when you are healthy, so make yourself a priority and get your cancer screenings. Cancer screenings save lives.

Screening tests are used to find cancer in people who have no symptoms. Regular screening gives you the best chance of finding cancer early when it's small and before it has spread.

MD Anderson Cancer Center at Cooper is hosting cancer screening events at a location near you. Show yourself some love and call us today to schedule your screenings!
