

Cooper University Health Care

Expertise. Experience. Excellence.

The Cooper Advantage:

Cooper University Health Care is the leading academic health care system in South Jersey with a history of more than 130 years of service. Our experts practice in more than 75 specialties and teach the next generation of physicians at the Cooper Medical School of Rowan University.

Cooper is South Jersey's only Level I Trauma Center and is home to the market-leading MD Anderson Cancer Center at Cooper, the Children's Regional Hospital at Cooper, Urgent Care centers, and more than 100 medical offices across the region.

For Cooper's more than 630 physicians, and 7,000 plus employees, your health care is more than just medicine, its our mission.

MD Anderson Cooper Cancer Center

Making Cancer History®

When patients choose MD Anderson at Cooper for their care, they know they are receiving care from one of leading cancer centers in the region, with more than 100,000 outpatient visits annually.

Clinical excellence, compassionate care, and a collaborative, disease-site-specific approach to fighting cancer sets MD Anderson at Cooper apart from other cancer programs in the region.

When patients choose MD Anderson at Cooper for their care, they know they are

Cooper Children's Regional Hospital

Our treatment teams provide each patient with a comprehensive evaluation of their disease and a personalized treatment plan.

South Jersey's only state-designated children's hospital, Cooper treats pediatric patients, infants through adolescents, for minor to serious health issues and injuries. Cooper has the most pediatric specialists and is staffed with the only board-certified pediatric surgeons based in South Jersey. For families, this means that you can stay close to home for the highest level of pediatric care.

Our treatment teams provide each patient with a comprehensive evaluation

CARDIA PARTNERS

Cardiac Partners is the largest cardiac program in South Jersey, with a network of more than 65 clinicians. Cardiac Partners offers a full range of the most advanced care, including state-of-the-art diagnostic testing to nonsurgical cardiac procedures, arrhythmia management, cardiac surgery, and cardiac rehab. This innovative care delivery model provides patients with access to more efficient, high-quality cardiac care in more locations throughout southern New Jersey.

Cardiac Partners is the largest cardiac program in South

Cooper Medical School of Rowan University

Cooper Medical School of Rowan University (CMSRU), located on Cooper's Camden Campus, is proudly mission driven and focused on developing highly skilled and socially conscious physician leaders who value a patient-centered, team-approach to health care. Due to the significant demand from prospective students, CMSRU has earned a spot on the U.S. News and World Report "Short List" of the "10 Med Schools With the Lowest Acceptance Rates." Cooper's physician staff are faculty of the medical school.

Cooper Medical School of Rowan University (CMSRU), located on

Premier Training Center for the Military

Cooper Trauma and Emergency Medicine experts provide onsite training to elite special operations combat medics from the U.S. Military's Special Operations Command and medical personnel with the U.S. Department of State Emergency Management Specialists. Cooper is the first trauma center in the nation to team up with the United States Army to provide advanced surgical trauma training to the U.S. Army's elite Forward Resuscitation Surgical Team (FRST).
